

Cutting Garden Workshop

including Lunch at Darsham Nurseries

Friday October 12th, 2018

10am - 2pm

Everyone appreciates having cut flowers in their home, so having a regular supply is a great luxury. If you have ever wanted to make your own cutting garden, this workshop will tell you everything you need to know to get started.

Denise Johnson, our local artisan florist and grower, will be offering a step-by-step guide of how to begin planning and designing your own cutting garden. Topics will include planting methods, the selection of species most suitable for quantity and variety, plus gardening techniques for getting the most out of a small plot.

The price for the workshop is £75 per person, which includes all materials and lunch.

The day starts at 10am with tea or coffee, followed by the workshop in the Summerhouse. A delicious lunch in the Café follows, along with a chance to look at the Nursery and Potager. The day will finish at 2pm.

We can accommodate only 10 people, so to book a place please call us on 01728 667022 or email bookings@DarshamNurseries.co.uk,
